Career Objective

Emerging Full-Stack developer with strong problem-solving skills and hands-on experience in JavaScript, React, Node.js, and databases. Aiming to join an innovative organization where I can contribute effectively while continuously growing as a software engineer. Driven to adapt quickly to new technologies and development practices.

Education

Maulana Abul Kalam Azad University of Technology	2026
Bachelor of Technology (B.Tech) in Computer Science & Engineering	GPA: 7.9
Shashpur D.N.S. Institution	2021
Higher Secondary (WBCHSE)	80%
Kushmuri High School	2019
Secondary (WBBSE)	92%

Skills

Languages:	JavaScript, HTML, CSS, Java, Python, SQL
Tools:	VS Code, Git, GitHub, Postman, Streamlit
Frameworks/Libraries:	React.js, Node.js, Bootstrap, jQuery, Express.js, Tailwind CSS, Shaden UI
Database:	MongoDB

Projects

VidTube – React.js, Tailwind CSS, Node.js, Express.js, MongoDB 

- A full-stack media streaming platform (MERN stack) allowing users to securely upload, watch, and interact with video content, featuring a responsive UI and seamless cloud storage auto-scaling.
- Architected robust RESTful APIs using [Node.js/Express], successfully handling user requests and reducing data retrieval latency by [30%] through optimized database queries.
- Developed a responsive video streaming frontend (VidTube) caching and state management with [React/Redux], decreasing initial page load time by [40%] and improving the overall user engagement score.
- Implemented secure user authentication (JWT/OAuth) and optimized the codebase architecture, reducing production bugs by [25%] and accelerating the deployment of new features.

Resume-Builder – React.js, Tailwind CSS, Node.js, Express.js, MongoDB, ImageKit.io 

- Developed a full-stack Resume Builder platform using React, Tailwind CSS, Node.js, Express, MongoDB, and ImageKit, featuring dynamic templates and AI-assisted resume enhancement.
- Implemented export/download options, secure sign-in/sign-up, and autosave for drafts, delivering a smooth and reliable user experience.
- Integrated ImageKit for optimized media handling, improving performance and overall responsiveness of the application.

Certifications

- Getting Started with Threat Intelligence and Hunting (IBM)
- Getting Started with Enterprise Data Science (IBM)

Hobbies & Languages

Hobbies: Studying International Relationship, Playing Cricket

Languages Known: Bengali, English, Hindi
